Bar Levy (Annual payment)

Every member contributes to Clubhouse facilities through the annual bar levy scheme. Most choose the £100 bar card which gives a 5% benefit - i.e. £105.26 to spend. The benefit increases to 10%, then 15%, then 20% for each £100 top-up during the year. The credit balance at the end of the year is carried forward to the next year. There is an Alternative Bar levy of £50 which has no drinks value: it is a contribution towards the running costs of the bar.
